Leuven, 18 Oct 1991

To whom it may concern,
Here above you find the list of journals and other logical items which I want to sell. Perhaps you are interested or you know a library or somebody who likes to buy. My warmest thanks for your help in recommending these logical items.

With kind regards
Yours sincerely
A. Borgers

L'université de Nancy II doit la somme de vingt mille francs français pour livraison de plus ou moins deux mètres de tirés-à-part d'articles écrits par des logiciens bien connus: Bernays, Church, Kleene, Boone, Wang, Henkin, Quine et beaucoup d'autres au soussigné
